SUMMARY

AI Engineer with hands-on experience in NLP, machine learning, and full-stack web development. Skilled in building LLM-based applications and working with tools like LangChain, Hugging Face, and React. Completed an AI internship at Kindi AI, where I worked on real-world projects involving natural language understanding. Experienced in developing and deploying AI-powered web apps.

TECHNICAL SKILLS

- **Programming Languages:** Python, HTML, CSS, JavaScript, Node.js
- **AI/ML:** Deep Learning, Machine Learning, Natural Language Processing (NLP), Image Processing, Retrieval-Augmented Generation (RAG), LLMs
- **Tools & Frameworks:** Jupyter, Google Colab, Hugging Face Transformers, LangChain, TensorFlow, PyTorch, Vite, Tailwind CSS, React, Framer Motion, Git

PROFESSIONAL EXPERIENCE

AI Intern, Kindi AI (Virtual) **Oct 2024 – Jan 2025**

- Transformed input audio into expressive speech using deep learning.
- Developed speech-to-speech systems preserving speaker identity and tone.
- Contributed to model experiments, inference pipelines, and testing setups.

PROJECTS

Urdu Sentiment Analysis on Twitter Data

Personal Project – Python, TensorFlow, Hugging Face, Google Colab

- Built and fine-tuned BiLSTM, CNN, and BERT models to classify Urdu tweets
- Handled multi-class and binary classification with custom preprocessing and class weighting

Urdu Story Generation Model (Github)

Group Project – Python, PyTorch, Transformers, LLaMA 3.1, Gemini, LangChain, MongoDB, FastAPI, Streamlit, TTS, Stable Diffusion, MusicGen

- Developed an AI-based system to generate and narrate Urdu stories
- Used LLaMA 3.1 (8B) for story generation and TTS for audio narration
- Integrated video and music generation tools for enhanced storytelling

EDUCATION

Bachelor of Science in Artificial Intelligence **Oct 2021 – Aug 2025**

COMSATS University Islamabad, Attock Campus — **CGPA: 3.60**

- Relevant Courses: Machine Learning, Deep Learning, NLP, Image Processing

ADDITIONAL INFORMATION

Soft Skills:

- Communication, Teamwork, Problem-Solving, Adaptability, Critical Thinking

Certifications:

- AI Internship — Kindi AI | 2025

Languages:

- English (Fluent), Urdu (Native), Pashto (Native)
